

# SENIORS NEEDED!

## USE YOUR SKILLS AND TALENTS TO VOLUNTEER.

We are the Retired Senior Volunteer Program (RSVP) of Baldwin/Escambia Counties. We recruit, train and place Senior volunteers (55 and older) where they are needed most in the community. RSVP supports community initiatives such as: financial independence, education, the environment, healthcare, companionship and Veterans and military families. Bring your fellow Senior friends, family, and church members to learn more.
