

Concerns about FALLS?

A Matter of Balance is a series of 8, 2-hour sessions designed to reduce the fear of falling and increase the activity levels of older adults who have concerns about falls.

A MATTER OF
BALANCE
MANAGING CONCERNS ABOUT FALLS

COMPLICATIONS RESULTING FROM FALLS ARE A LEADING CAUSE OF DEATH FOR OLDER ADULTS.

LEARN TO:

- View falls/the fear of falling as controllable
- Set realistic goals for increasing activity
- Change your environment to reduce fall risk factors
- Promote exercise to increase strength and balance
- Become more confident in managing falls
- Receive a certificate upon completion

More Information:
