

Dear Community Supporter,

My name is Dawne Biggs and I'm the volunteer coordinator for RSVP, Retired Senior Volunteer Program, locally sponsored by Area Agency on Aging and funded by AmeriCorps Seniors. RSVP's mission is to engage Americans 55 years and older in volunteer service to meet critical community needs, and to provide a high-quality experience for the volunteers. We're embarking on a summer/fall recruiting campaign called "*VOLUNTEERS ROCK!*" to raise volunteer awareness for seniors 55+ who can share their skills and expertise through many volunteer activities and make a tangible difference in our very own communities.

***How can you help with our "VOLUNTEERS ROCK" campaign?*** RSVP and our volunteers are beautifully and artistically painting and decorating rocks that will be placed all over Baldwin County. The rocks will have facts about RSVP, and encouraging words about volunteering. They will be offered a small community token for calling the numbers listed on the rock.

The community tokens can be gift cards, certificates, merchandise (a cup, a t-shirt, a calendar etc.), it can be a taco, shake, ice cream cone, a cookie etc.) The finder of the rock will then visit your establishment, after telling all of their friends, family and neighbors, because they've been given a gift card supplied by you!

Would you be willing to donate to our "*VOLUNTEERS ROCK!*" campaign? There will be pictures and social media posts every time a rock is found! It is going to be a fun and exciting campaign!

Your donation will be listed and shared with the rock finder in each municipality, where the rock is found. We will be asking for donations throughout all of Baldwin County!

Thank you for your support! We are looking forward to a GREAT summer/fall community RSVP volunteer recruitment campaign!
